Tom and Bethany Alkazin just achieved what was the highest rank in Vemma, Star Pinnacle.*

Now enjoying a \$500,000 bonus* for achieving the new rank, the couple is going after the recently-added Legend rank, which comes with a hefty \$1 million bonus check.

But that's not the best part of their rise to rankdom in Vemma, which has included over \$17,000,000 in commissions.*

"As any parent would know, there is no greater feeling than seeing your children succeed! To see Chris (Star Executive), Brad (Star Royal) and Amy and her husband David Stafford (Ambassadors) all choose to work their Vemma businesses has been a dream come true for Bethany and me," shares Tom. "We love working together

as a family.”

Long-time Affiliates with Vemma, even going back to the New Vision days, Tom and Bethany Alkazin have enjoyed watching the company grow and embrace a younger demographic while sticking to its roots of providing healthy products that are attractive to any age group. Tom adds, “the new ranks that BK announced excited us big time! Here’s the great thing about these levels — once achieved, they just say that we were able to help even more people realize their potential through sharing these amazing wellness products and our powerful earning opportunity with others.”

The couple says they’re “thrilled” to have achieved Star Pinnacle.*

“We are humbled and grateful,” reflects Tom. “Humbled, because we are surrounded by the most amazing group of Affiliates; grateful to BK and the entire Home Office team who make our opportunity so very attractive to people from all walks of life.”

Tom adds, “Our achievement of Star Pinnacle is truly a team award that belongs to each Affiliate in our organization. We remain dedicated to helping you succeed!”

So, what does Tom think every Affiliate should do coming out of such an incredible Convention?

“Now is the time for all of us to go — ALL IN!”
