DEFINITIONS

For the purposes of this Order, the following definitions apply:

- A. "Defendants" means Netforce Seminars and Darin Epps.
- B. "Multi-level marketing program" means any marketing program in which participants pay money to the program promoter in return for which the participants obtain the right to: (1) recruit additional participants, or have additional participants placed by the promoter or any other person into the program participant's downline, tree, cooperative, income center, or other similar program grouping; (2) sell goods or services; and (3) receive payment or other compensation, in whole or in part, based upon the sales of those in the participant's downline,

tree, cooperative, income center or similar program grouping.

- C. "Prohibited marketing scheme" means a pyramid sales scheme, Ponzi scheme, chain marketing scheme, or other marketing plan or program characterized by the payment by participants of money to the program in return for which they receive (1) the right to sell a product or service and (2) the right to receive in return for recruiting other participants into the program rewards which are unrelated to the sale of products or services to ultimate users.

 Rewards are "unrelated" to the sale of products or services to ultimate users if rewards are not based primarily on revenue from retail sales.
- D. "Retail Sales" means sales of products, services, or business ventures by

 Defendant, his successors, assigns, agents, servants, employees, and those persons in active
