TINA HU

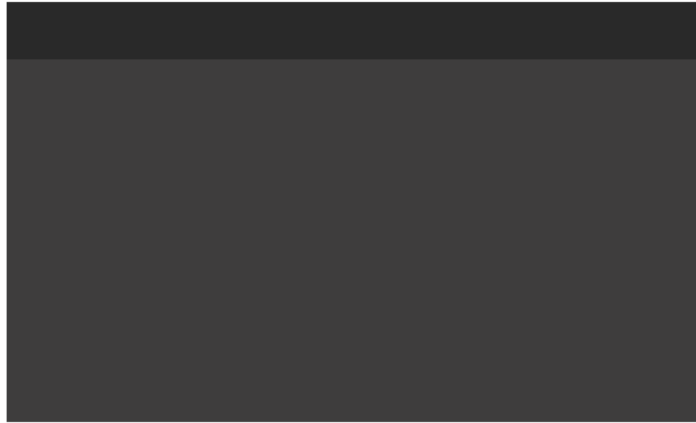

Double Diamond Director

Country :

Date : September 28, 2013

During the earlier years of her life, Tina worked for a state-owned corporation in China and had very little experience in sales and marketing. Following a broken marriage, she was forced to work "long-hours-for-low-pay" type jobs due to the lack of financial support. In 2009, she joined Jeunesse under the leadership of her sponsor, Kim Hui, and began to develop the skills necessary to become a good leader, including how to present ideas, communicate with others, and take the initiative to get things done. After just 18 months, Tina's team grew to contain thousands of members in more than 20 countries. Now, Tina enjoys the financial freedom she fought so hard for and a healthier lifestyle too.

"Business is such an unpredictable creature; but keep in mind that setbacks are always accompanied by triumphs. I believe in optimism – it's a powerful thing. Never give up and continue pursuing your objectives; ignore the negativity of others."

She also continues, "I promise to continue doing my best to assist everyone who pursues a future in Jeunesse. It gives me satisfaction to see my team members' aspirations fully realized. They want to become Double Diamonds and I'm going to help them get there."

Tina says :I went from a struggling entrepreneur to becoming a multi-million dollar earner and a world-traveller.

The most priceless accomplishment of this endeavor is the journey to self-realization and gaining more insights about myself, people and life."

"It's Your Dream. No matter how many rejections or how negative people are to me, they cannot stop me from pursuing my dream! Make sure no one can stop you, never give up!"
