2. Enrolling in LifeLock's Services - Users

We may make certain features and Services available to Users for no fee (the "User Services"), including those we make available on or through your mobile phone or device. User Services may include the ability to receive SMS text messages, email, push notifications and other notifications from the Services (the "Mobile Alerts") and the ability to access the Services for which you have enrolled or registered through our mobile enabled application (our "App").

Users of our User Services are not required to enroll as a Member; however, Users may still be required to register with us. To register for User Services, you must provide us with certain information, including your name and email address, and must also create a username and password.

A. Mobile App Terms and License

Our App offers functionality that allows Members to access their LifeLock portal and membership data and that allows Customers to store affiliation, membership, affinity and payment card information in a mobile wallet. Our App also offers "wallet services," which allow you to submit an image with card and receipt data, to digitize the data, store the image, and access the image and digitized data. As part of the wallet services, payment card information you choose to store in the App may be used to remit payments to third-party developers and merchants who have developed apps and web services that utilize our App's check-out services. Other functionality may also be available on the App such as the ability to receive various promotional offers and benefits.

The App is designed as a digital wallet into which you may store information about your payment cards, loyalty cards, identity cards and other data about you. While the app has security features designed to keep your information safe, you should avoid entering and storing certain information in the App. Specifically the App is not designed to store card verification values (CVV), card verification codes (CVC), card identification numbers (CID), personal identification numbers (PIN) or other security codes (via image or text) that are associated with credit and other payment cards. Do not use note fields or other text fields to enter and store this kind of data.

The App is provided to you under license and your use of the App and any information or data downloaded by or in connection with the App (the "Data") is subject to and limited by the license terms set forth below. We grant you a limited, non-exclusive, non-transferable license to use the App and Data subject to the terms and conditions set forth in this Agreement. You acknowledge that you must be a Member to access the Member-only features of our App. You may (a) install the App on one device at a time, (b) use the App on the screen of such device, and (c) make one copy of the App and Data for back-up, archival purpose provided such copy contains all of the original proprietary notices provided with or otherwise relating

to the App or Data. This license will also govern any software upgrades provided by us that replace and or supplement the original App unless such upgrades are accompanied by a separate license in which case the terms of that license will govern. We have no obligation to provide you with any updates, maintenance or support services for the App. The App contains certain third-party software under license to us, including open source software (collectively, the "Third-Party Software"). The Third-Party Software is licensed to you under and subject to the terms of the applicable third-party software licenses, which can be found [here\(/legal/ \)](/legal/).

You may not use or permit others to use the App or Data except under the terms expressly listed above. Without limiting the previous sentence you shall not and shall not permit anyone else to (a) use the App or any device that you do not own or control, (b) use the App or Data for service bureau time sharing or other similar purpose, (c) modify, translate reverse engineer, decompile, attempt to derive the source code of, disassemble (except to the extent that this restriction is expressly prohibited by law) or create derivative works based upon the App or Data, (d) copy the App, including any updates or any part thereof, or Data (except as permitted above), (e) rent, lease, sell, offer to sell, distribute or otherwise transfer rights to the App or Data, (f) develop, sell or distribute applications that integrate with the App or otherwise make use of the Data, (g) remove any proprietary notices or labels on or relating the App or Data, or (h) use the App or Data in any manner that could impair any website that we may own or operate currently or in the future.

The App may be available via one or more mobile app stores or marketplaces (and "App Store") for use on mobile devices, including App Stores provided by Apple, Inc., Google, Inc., Amazon.com, Inc. and Microsoft, Inc. Apple, Inc., Google, Inc. Amazon.com, Inc. and Microsoft, Inc. are each a "Provider" for the purposes of these Terms with respect to any App downloaded from one of their respective App Stores. To use the App you must first download it from an App Store and then register with us, by providing your name, email address and other information, and setting a password.

You acknowledge that this Agreement is between you and LifeLock only, and not with any Provider. Your use of our App must comply with the then-current Terms of Service applicable to the App Store(s) from which you downloaded our App. LifeLock, and not Provider, is solely responsible for our App and the services and content available thereon. You acknowledge that Provider has no obligation to provide maintenance and support services with respect to our App. To the maximum extent permitted by applicable law, Provider will have no warranty obligation whatsoever with respect to our App. We and not Provider are responsible for addressing any questions, comments or claims relating to the App and or your use of the App including but not limited to any product liability claims, claim that the App fails to conform to any applicable legal or regulatory requirement, claims arising under consumer protection or similar legislation, and for the investigation, defense, settlement and discharge of any third-

party intellectual property infringement claim related to our App or your possession and use of our App. You agree to comply with all applicable third-party terms of agreement when using our App (e.g., you must not be in violation of your wireless data service terms of agreement when using the App). Provider is a third-party beneficiary to this Agreement. Upon your acceptance of this Agreement Provider will have the right (and will be deemed to have accepted the right) to enforce this Agreement with respect to the App.

In the event of a third-party claim that the App or your possession of and/or use of the App infringes a third party's intellectual property rights, we, not Provider, will be solely responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim.

Dispute Process. Certain features in the App may allow you to make a purchase or request access to additional or different features for which fees may apply. You can choose whether or not to make these purchases or access these features and you will not be subject to fees or charges without your consent; however if you believe you have been assessed a fee or a charge in error or if the feature or item purchased does not perform as described or is not delivered to you, you may dispute the purchase by logging into your mobile application store from which you downloaded the App and lodging your dispute or request for refund directly with the application store owner.

We shall provide notice of changes to products and services by posting them on the Site. We have no obligation to provide you with direct notice of any such changes in any other manner. If any change(s) involve the payment of additional fees, we will provide you with the opportunity to approve such fees. If you fail or refuse to approve such fees, we may, in our sole discretion, terminate your current enrollment or use, continue to support your current Service(s) without the change, or replace your Service(s) with other Service(s). If we terminate your current enrollment in or use of any Service(s) on account of your failure or refusal to approve such fees, then we shall refund, on a pro-rata basis based on the remaining term of the current license.
