Dear MyPillow,

I just wanted to take a moment and say "Thank you". Since I moved from Victoria, MN to Sioux Falls, SD I have had the WORST allergies. Actually, I never had "air born" allergies untill I moved to South Dakota. It has progressed over the years to the point at which I now require prescription strength allergy medicine to keep it somewhat under control. Every Fall and Spring are just absolutely dreadful for me. However, since I bought my My Pillow last August, I have yet to have experience any allergy symptoms whatsoever or even need my prescription which saves me a lot of money! So I wanted to say "Thank you" not only for the restful nights of sleep, but also for saving me lots of money for not needing my allergy medicine anymore! Thanks Mike! You're a "Dream"!
