MyPillow,

I want to start by saying that i'm a firefighter and have 4 bad discs in my back, this pillow has been a god send. I'm a very broad shouldered guy who sleeps on his side, this pillow is so thick that my head is completely supported without any head sag. Because of this pillow my back pain has greatly diminished due to the amazing support. I want to thank everybody involved in this product, i just ordered another one for the the fire station. thank you.

Regards,
Chris White
