Thanks to everyone who called in and joined us on QVC this morning! Due to an overwhelming demand QVC has asked Mike to come back for "Gifts With Jane" at 6:30pm tonight eastern time, so if you didn't have a chance to join us early this morning, tune in at 6:30pm Eastern Time tonight or tell a friend for an Encore performance by our very own Mike Lindell featuring "The Worlds Most Comfortable Pillow" My Pillow!

**Jerry Sinner** I bought 2 of these pillows this last spring time, I have a bad neck and could never sleep well. I used to buy pillows once every 3 months and never found one that didn't hurt me after awhile. My pillow is a god send, I never have had neck pain since and sleep threw the night, have no more headaches and medication couldn't even do that. Customer for life!
