I gave my dad a bottle of Jusuru Life Blend to try. He has Rheumatoid Arthritis. Below is what he had to say about this product. If it can help him, it can help everyone!

Jodi, who is my daughter, talked me into trying this product to see if it would have any effect on my Rheumatoid Arthritis. I have used half a bottle and I have enjoyed a more pleasant sleep. I seem to sleep sounder and with less pain in my shoulders. When i get up in the morning I am not as stiff as I used to be and less pain.
