This Step2 Clubhouse Climber will make your backyard the most popular place in the neighborhood. This sturdy plastic climber has space to allow multiple children to play at the same time. The Step2 climber includes a skylight, steering wheel and two slides. A climbing ladder with sure grip hand rails helps young climbers and promotes gross motor skills. The bridge connects to the lookout tower with double windows. There is a hideout area and crawl-through tunnel for children to explore. This kids' climber is solidly built and will last through many years of kid play.
