Although nerium cannot claim to treat eczema because it isn't medicinal, here is a picture of a woman after a week of using nerium on the affected area. I am constantly amazed at how these products are changing people's lives!

**Jóhñ Aśhér** Haha totally joking

February 15, 2015 at 6:49pm ·

**Haley Klinge** Haha yeah I figured as much. It would really suck to have eczema on your butt.
