Jusuru Life Blend contains the world's only source of Liquid BioCell, the award-winning, multi-patented 'super nutraceutical' clinically shown to promote healthy aging, active joints and younger-looking skin. Its unique form and Bio-Optimized™ manufacturing process produces molecules that your body can actually absorb. That's why it's been awarded 6 patents for its invention of a powerhouse ingredient. Jusuru Life Blend adds the benefits of 13 potent antioxidant-rich superfruits, and resveratrol, widely studied for its anti-inflammatory and cardiovascular health benefits in a unique liquid delivery system for unsurpassed absorption and fast results. Everyone wants to look and feel younger! Jusuru Life Blend is clinically shown to work.
