# Trevo Testimonies From All Over The World!

I developed a very painful case of Acid Reflux (I have never experienced acid reflux at all). Knowing that Trevo had given me relief from heartburn the past 5 years, I decided to give Trevo a try on this Acid Reflux. I took 2 oz!! Oh my it burned down my throat and in my stomach, 10-15 minutes later the burning was gone and did not return!! TREVO!!!!
