May 5, 2015 · 🌐

Just wanted to tell you from my heart how grateful I am to you. Bill Lee and all the scientist that work at Univera This is Megan She had nearly no communication 2 years ago. She is diagnosed with autism, seizure disorder and Intellectually disabled. Right at 90 days after taking xtra She began to have communication milestones. Her life and ours are forever changed. We see new milestones Every day!
