June 10, 2010 · *

3 new products coming next week from Univera! We have been eagerly waiting for one specifically. The new formula is designed to help balance blood sugars. In a double blind placebo controlled study, this new product OUT PREFORMED the biggest pill on the market today for diabetes. Yes, read that again. OUT PRE FORMED! More information will be released next week when we know more! VERY EXCITING TIMES! "stay tuned"
