I have regained control of my weight, allergies, fibromyalgia, rheumatoid and osteo arthritis, carpal tunnel and avoided back and neck surgery by using purified air and whole food nutrition with CAEDS (Chelated Active Enzyme Delivery System) These products do what they say they will do! I am still fighting kidney issues, so my next step is to purchase our brand new "Living Water"! Vollara offers "Uncompromising Health" and "Uncompromising Wealth"! Our new Living Water produces alkaline, ionized water that has some miraculous testimonies AND our unit is a stand alone, unique technology! No one else has our technology as it is BRAND NEW! To do some research about how this water works, google Dr. Batman, a short version of the authors name. He wrote a book called "You're Not Sick, Your're Thirsty". It will be well worth your time to read! However, I want to emphasize that our unit that produces this water is brand new ... just unveiled to us last night, so make sure you look for LIVIVG WATER.If you or anyone you know would like to join me in sharing these life changing products, I want you to know that you will be in business for yourself, but not by yourself! For a presentation on the business, visit [www.chippynews.com](http://www.chippynews.com) ... you will find my picture on the far right ... Bea McNabb. Then go to [www.GreenPlusMore.com](http://www.GreenPlusMore.com) and join for \$25.99! For questions, call me and if I do not answer, please leave a message, I will return your call! We're all about health ... air purification which kills MRSA, Staph, EColi and viruses and bacteria on surfaces. Living Water, which I just told you about and whole food nutrition with CAEDS and last, but not least .... we wash clothes WITHOUT detergent and hot water! I have had my unit since we came out with it over 3 years ago and it is awesome! If you are interested in commercial sales, I can help you with that too!Thank you for taking the time to read this ... let me know how I can help you or someone that you know with "Uncompromising Health" which leads to "Uncompromising Wealth"!May God bless you!Sincerely,Bea McNabbConsultantHealthy Living [Solutionswww.GreenPlusMore.com](http://Solutionswww.GreenPlusMore.com)
