I really wish they still offered the Km lotion.
Anyone know if another company picked up the rights?

5 Matol Km Review (up to 2009)

Matol Botanical International was sold to Univera in 2010 and is marketed now under the name of Km, the look is different but the product is exactly the same and today 4 years later Matol Km is there number one seller, according to Univera sources.

I have grouped these Matol Km review, selected articles together for you to find more information about Matol (in Canada) with 13 herbs and Km(USA) with 14 herbs.

1- Forty Something Forever by Harold & Arline Bracher

A Consumer's Guide to Chelation Therapy and other Heart Savers. "While writing this book several nutritionally-oriented doctors we'd been in touch with over the years, called our attention to a potassium-rich liquid, Km by name"

2- Recovery from Addiction by John Finnegan and Daphne Gray in their Matol Km review

This is a remarkable herbal extract and mineral formulation with powerful rejuvenating and cleaning properties. Many people have found it greatly increases their energy and stamina, cleanses poisons from the body, helps arthritis and other toxic conditions, helps rebuild the liver and the blood, and greatly increases the oxygenation of the system.

3- Freedom From Arthritis through Nutrition Matol Km review by Philip J. Welsh, D.D.S, ND & Bianca Leonardo, N.D.

Matol/Km (Matol in Canada) is an herbal formula developed in 1922 in Austria by Dr. Karl Jurak to give him more strength and endurance for his studies and for his favorite sport, mountain climbing. He was awarded a Doctorate degree with honors at the age of 19, in agrobiolgy (the study of plant biology) for the discovery of his elixir, which we know as Matol/Km.

4- Hypertension Update" Matol Km review in an article by Susan Fasta from Essence Magazine.

Hypertension is a serious problem in the African-American community, and some Blacks may have stumbled upon a natural weapon.

They are drinking Matol/Km, an herbal liquid made of 14 herbs flowers, roots and seeds, including chamomile, thyme and dandelion. The potassium-rich drink (more than 585 milligrams an ounce) has produced remarkable improvements in both blood pressure numbers and energy levels.

5- Investigation of Matol/Km Matol Km review by Al Carter.

Matol/Km provides all 57 nutrients in the proper sequence and in the proper ratios!
