First of all iam not legally allowed to say that YOR HEALTH Supplements will cure any medical conditions..

2.5yrs ago was diagnosed with Osteo Arthritis in my right shoulder and have needed a Shoulder Joint replacement, during winter I have consantly been on pain killer to sleep due to chronic pain, certain exercises have been impossible to do, Chin ups, Dips, Deep Push ups, Power Cleans. Since taking YOR HEALTH Supplements and as you can see by the videos I took 2 days ago, ill let you make up your mind n tell me if YOR HEALTH Supplements are helping my injury
