LAURA – SEVERE ALLERGIES

LAURA – BEFORE HERBALIFE

LAURA – AFTER HERBALIFE

I had this skin condition for 4 years. I went to dermatologists and allergists to try to determine the cause. The doctors treated me with Prednisone, steroid creams and shots. Allergy tests revealed that I was allergic to many things including dust, molds, mites, metals, trees, grass, latex, eggs, chicken...and list goes on. No clue what actually caused this severe skin condition.

After only 3 weeks on the Herbalife products (Formula 1 Healthy Meal Shake, Formula 2 Multivitamin, Formula 3 Cell Activator & Herbal Concentrate Tea), the skin condition went away. I am off of all medications! I can be around all of the materials and foods that I had an "allergy" to with no reactions at all. And yes, I love to eat my eggs and chicken!

An added bonus is that I lost 26 pounds. I went from a size 8-10 down to a size 4. I now have more energy than ever before!
