Mandy Hunt ▶ Sunrider International

March 1, 2013 · 🌐

I have only been using Sunrider for a little over a month, but I feel better and have more energy for my husband and three boys. I have also seen it help my son get over the flu fast, help ease arthritis pain, sore throats and headaches.

Diana Walker That is so exciting Mandy! I had many of those same results within the first month, and that was 16 years ago with Sunrider - it just keeps getting better and better!!

Mandy Hunt Thank you for your encouragement, it is a little hard financially, but I am committed to my health and the health of my family. If I could get some IBOs under me that would help, but I guess that will come with time. I look forward to this life changing ride!! 😊

Mandy Hunt Thank you, I have watched some of the training videos and am planning on watching the rest very soon. I appreciate how helpful you all are. When I called with questions about the new plan, the man I talked to was extremely helpful and kind!! I truly appreciate how kind everyone with Sunrider has been to me.

Mandy Hunt My son has chronic ear infections and has had tubes put in three times and adenoid out. He is having ear pain now. Any suggestions as to help him with sunrider products? I don't want him on anymore antibiotics. Thanks
