I AM GOING TO START WEARING DEPENDS.....seriously these people are so insanely funny, I had a "smart" edumacated ER DOCTOR tell me straight to my face, "oh, Golden seal isn't an antibiotic". I had the 4 RN's there Google it, they all told him, "Yes it is and it's been around since time immorta" !!! Then I really blew his little mind and told him I beat liver cancer 34 years ago by going Vegan and eating Sunrider foods!!! HAHAAHAHAHAH ....poor guy ,he doesn't want to see me anymore.
