This article also explains how bringing inflammation down in your body works to treat **depression** symptoms. Bob and I have seen this happen a LOT since being involved with **Zinzino**. This is just one of the many reasons we want everyone to know about the Omega 6:3 Balance blood test and Balance products. Inflammation affects every single aspect of health.

Is depression a kind of allergic reaction?

Caroline Williams: A growing number of scientists are suggesting that depression is a result of inflammation caused by the body's immune system
