I have been taking [Zinzino](#) for a 14 months and do not plan on stopping.. I have felt so much better physically. All my joints feel better than ever. I work outside in the yard, building a deck, on my dump truck, and etc. with no problems. 14 months ago I could not do that for pain in my back and knees, mostly my knees! It is truly amazing! [Zinzino](#) is a fish and olive oil blend that is 2nd to NONE!

Yet many experts now believe it's a bigger risk marker than cholesterol, and that reducing inflammation can deliver more health benefits than statins.

The US National Institutes of Health in 2010 called chronic inflammation "a unified theory of diseases".
