## Jenny has lost 114 pounds!

Before: 280 pounds  
Size: tight 24

After: 165 pounds  
Size: loose 14

Before Herbalife, I had let my life spiral out of control. I had reached a staggering 280 pounds. I suffered from terrible migraines almost daily. In 2004 I had a fall that caused debilitating pain on the left side of my body. Worst of all, I was suffering from extreme depression. I was at the point where I was ready to give up on life!

Then I joined a Weight Loss Challenge and discovered Herbalife. To date I have lost 114 pounds, over 83 inches from my body, 40% of my body weight and my BMI has dropped 17 points. I rarely have headaches & my body pain is gone! The most amazing thing is the change in my personality and my outlook on life.

I'm excited to face each day and look forward for the things to come!
