About

I reached a time in my life when I realized my health and wellness needed to become a priority, so I began using the Herbalife
products. My energy levels have increased and I am so excited I can't help but share these products since I FEEL GREAT!

Mission

Herbalife's mission is to help people with health-related problems that are due to poor nutrition.
Everyone can benefit from proper nutrition and the core of the Herbalife products is designed to achieve that – to help you look good and feel even better!

Company Overview

Herbalife International - the largest and fastest growing
Nutrition Company in the world. Operating since 1980 with business in 72 countries, we have helped over 40 million satisfied customers worldwide to achieve outstanding health and weight-management results.

Products Our targeted nutritional products have helped millions of people to manage weight (lose, gain or maintain), increase energy and to address some more specific health concerns such as; migraines, diabetes, allergies, asthma, ulcers, heartburn, anxiety, stress, sleep disorders, arthritis, fibromyalgia, osteoporosis, PMS, menopause and even ADD & ADHD. We also carry an exclusive line of the absolute best skin, hair, and personal care products on the market.
What people like most about our products is that they are doctor formulated, and safe for everyone. All of Herbalife's products have been developed by their Scientific and Medical Advisory board 39 doctors and scientists from around the world – including Nobel Prize Laureate, Dr. Louis Ignarro, for his research in the field of cardiovascular health. The products are pharmaceutical grade and are clinically proven to work. Herbalife backs their products with a 100% money back guarantee - companies don't do this unless they believe in their effectiveness. There are no 'magical' or 'quick fix' ingredients – simply good quality nutrition from fruit, vegetable and herbal extracts to give your body what it needs so that it can take care of itself!
