RELIV with Kamer-feel your best

June 29, 2015 · 🌐

Listened to a great story this afternoon of a fellow who has been on RELIV (nourishment, in shake form, for our cells to help rebuild & repair) since 2003. He has Parkinson's and how it has decreased his symptoms tremendously. He is able to move around and live an active life with it. If you know someone contact me... Not only has this decreased the activity of cancer cells it is helping people like those with Parkinson's, Lupus, MS and Diabetes.
