Toni is down 65 pounds...and counting!

Before Herbalife, I had high triglycerides, weighed over 220lbs and wore a size 22. I was always fatigued due to Rhinitis (severe sinus congestion) and got migraines at least twice a month. My health and life felt uncontrollable.

Now that I'm on a nutrition program, my dangerous health numbers and sinuses are under control. No more migraines and I've **lost 65 lbs (so far) and wear a size 10!** Herbalife has given me control of my life.

HERBALIFE.
