Jessica Fitch

I just ended a phone call with a very satisfied Ambrotose consumer. Here's the story...

70 year old man develops severe pain in his joints and is diagnosed with arthritis, consuming 4-6 naproxen each day for the pain.

He happily rejects Mannatechs 180 day money back offer if unsatisfied and says, "Jessica, I'm not taking naproxen at all anymore. Everyone who asks, I credit you. Thank you for introducing me to Mannatech."

I'm just happy to be the medium in putting an end to the suffering.

Jessica Fitch Joe Osborne I had the follow up, "what did you like best" talk and future expectations with the man which we talked about. The results were positive. I'm so happy right now. I owe that to you and your hard work. X
