NYR essentials oils are purest, therapeutic grade available, as is our Coconut oil....take a look at www.organicsskinremedies.co.uk

Dr. Josh Axe July 2 · 6

Even if you've discovered the power of essential oils, not too many folks have used it for arthritic pain. Well, this DIY arthritis ointment uses three of the most researched essential oils for lowering inflammation and can help halt arthritis agony!

Attack Your Arthritis with Essential Oils!

Essential oils have so many uses, including for serious health problems like arthritis.
