Re: Basile v. Stream Energy Pennsylvania, LLC, et al.
1:15-cv-01518-YK (M.D. Pa.)

Dear Judge Kane:

We are counsel for Plaintiff in this putative class action. We are pleased to report that last month the parties reached an agreement in principle to settle this case. The parties have nearly completed negotiations over the proposed settlement agreement. However, they still need some additional time to fine-tune that agreement. For the reasons explained in the enclosed Joint Stipulation, the parties believe there is good cause to briefly stay the proceedings so that they might present a proposed agreement next month for the Court's review and consideration.

Our sincerest thanks to the Court for its time and consideration of this request. Should the Court have any questions, please do not hesitate to contact us.

Respectfully submitted,

Jonathan Shub
