

## FitLine Q10 Plus - Helps with Blood Pressure, Cholesterol, Diabetes & Cancer

FitLine Q10 Plus provides our body with Vitamin E, Coenzyme Q10, Lecithin in liquid form  
\* supports heart's energy gain & immune defenses

Coenzyme Q10 is present naturally in every cell of our body and it is a very powerful antioxidant and converts food into energy. With aging its levels go down and so we require more coenzyme Q10 and its deficiency causes the most fatal diseases like cancer, diabetes etc.

- \* For energy production in the cells
- \* Supports the cells under oxidative strain
- \* Essential for blood pressure and cholesterol regulations
- \* Beneficial for people suffering from arrhythmia and angina
- \* Powerful immunity booster to prevent bacterial and viral infections and enhances the healing process of the body.
- \* Beneficial for people undergoing cancer treatment for better results and also preventing the side effects of medications used for treatment.
- \* Fights and removes the free radicals from our body and hence is very beneficial to prevent premature aging.
- \* Also beneficial for people suffering from asthma when used with other therapies.
- \* With unique MicroSolve technology
- \* Gentle cold bottling without heat treatment
- \* Without preservatives
- \* With natural emulsifiers

## FitLine ProShape Amino - Improves Muscle Mass, Stamina & Metabolic Processes

FitLine ProShape Amino is a dietary food intended to meet the expenditure of intense muscular effort, especially for athletes.

The human body has 28 amino acids. 20 of them are obtained from within the body and the other 8 must come from outside. It is these eight so-called essential amino acids that is provided by FitLine ProShape Amino.

FitLine ProShape Amino diet food contains in concentrated form essential amino acids the body is not allowed to produce. It is made of apple pectin capsules, and enters the bloodstream in approx. 15 minutes, and the body feels very stable.

Fitline ProShape Amino is

- \* rich in essential amino acids
- \* Contains all the amino acids for life (L-Isoleucine, L-Leucine, L-Lysine, L-Methionine, L-Phenylalanine, L-Threonine, L-Tryptophan und L-Valine)
- \* Contains an absorption-promoting Ayurvedic herbal aroma

Purpose: Fitline ProShape Amino increase and maintain muscle mass, increases stamina, offset the energy consumed during heavy muscle, especially suitable for athletes.

Fitline ProShape Amino prevents the imbalance in necessary amino acids, which helps with the following body functions:

- concentration
- coordination
- overcome stress
- durability
- recovery
- positive mood
- power supply of the body
- memory
- motivation

Fitline ProShape Amino improves all metabolic processes and helps to optimize weight.

Usage: Take 6 capsules daily with a lot of water.
