

**The Pharmaceutical industry does not create cures, they create customers.**

**Fitline Melbourne**

Like This Page · June 22, 2015 ·

What more can we say?!!  
Fitline is all natural. It cures the problem at the cellular level. Fitline is not a band aid. It will help improve or mend so many ailments. If you are tired, run down, depressed, have diabetes, cholesterol, high triglycerides or blood pressure just to name a few things.. then you should look at trying Fitline. We are improving the lives of many around the world. Money back guarantee.  
Inbox Fitline Melbourne for more information 😊😊😊
