I was in bad shape when it came to health! I stopped doing a lot of complaining about the pain in my shoulders, neck and right wrist due to Fibromyalgia and arthritis. If you saw me, I looked healthy but I was hurting every single day. I started up on Amways Nutrilite Vitamin supplements and Glucosamine/ Chondroitin supplements and I haven't felt better! I'm able to sleep great because of decreased pain!!!!!! It has helped me in many ways. I'm so blessed!!!

If you are going through some ailments and would like to try some natural products from Amway, please call me at 512-787-7638. Amway has great quality products from vitamins, to facial creams, to cleaning products and great pots and pans! God bless!
