A picture is worth a 1000 words! Teenage acne to adult acne ...the product works the same. I'm very happy for you Anitra Alexander!

This is an illustration of what my belief in Modere's skin care products did for me... I was ridiculed tremendously because of the outbreak. I persevered the ridicule and continued to use the products and my smile is definitely an indicator that it truly works!!!
Push through! Be consistent! Be secure! Your belief in what you have set out to accomplish in life will be manifested. Just don't quit!
