Hi I'm Kym! 🙋🏻

I am a Social Marketer of Modere Products & I LOVE what I do.

I used to be an exhausted & chronically tired Mum of 4 kids, I had Adult Acne, Hormone issues & Sinusitis. I was not performing my best as a Mum. My husband suffered from Excema & Asthma, and my kids were ratty which I thought was normal. 11 years ago I made a change, & started to use these non-toxic products on myself, and added supplements.

6 weeks later, I was a new person! I had energy & clear skin. My family begun to use the products, my husbands excema & asthma went away. My kids were calmer & no more colds/allergies.

Then all of my friends wanted to know what I was doing.

It is safe to say... I LOVE THESE PRODUCTS! ❤️
