Can aloe vera prevent and cure cancer?

If you're looking to prevent cancer, you need to know about aloe vera. More research on aloe vera is taking place all around the world as word spreads about its natural healing potential. You'll learn a wealth of information about this in this article.

Here, we present a collection of quotes and observations about aloe vera and cancer, documented in some of the best health books ever written. Read and remember these quotes, and feel free to share what you learn here with others who may also need this [information](#).

Some clinics have used [aloe vera](#) to increase the effectiveness of cancer [treatment](#) with the chemotherapy agents cyclophosphamide (Cytoxan, Neosar) and 5-fluorouracil (5-FU). Several studies indicate that [aloe vera](#) gel can protect both the immune system and the [skin](#) from the effects of [radiation](#) treatment. In addition, at least one study suggests that taking aloe internally can reduce the likelihood of lung cancer in smokers.

Radiation burns cause skin ulcerations that had been nearly incurable until physicians began trying the old folk remedy of the aloe vera leaf. Today, aloe vera has gained such great popularity that it is being used in many cosmetics and [health](#) products. Aloe vera [juice](#) that is taken internally has been found to be effective in almost every [illness](#), including cancer, [heart disease](#) and AIDS. In fact, there is hardly any [disease](#) or health problem for which aloe vera has not been proven successful.

Added to the juice, we should take aloe vera. Aloe vera is the single most [healing](#) of all the herbs. It's anti-cancer, anti-parasitic, and it repairs DNA. It protects us from viruses and [bacteria](#). Every time I take juice, I take aloe, and it makes a big difference.

- [Gary Nulls Ultimate Anti Aging Program](#) by *Gary Null, Ph.D.*

Hyland commented that normal cells appeared protected and abnormal cells appeared more sensitive to treatment, when Aloe vera was a part of an integrated approach. Various cancer [patients](#) have experienced remarkable reversals in health status after adding aloe to their protocol. It was, in fact, triumphant accounts of Aloe vera enhancing the efficacy of previously failed treatments that spurred the glyconutrient movement.

Ivan Danhoff of the North [Texas](#) Research Laboratory in Grand Prairie, Texas, discovered large 9,000-molecule Aloe Vera polysaccharides, he freeze-dries to inactivate enzymes, called "Albarin" used in I.V. treatment of terminal [cancers](#). He was in application and raided by the FDA. In October

Reports of Aloe vera being life-saving to [cancer](#) patients are not scarce. Dr. Julian Whitaker reported that a 10-year-old boy diagnosed with a rare brain tumor (a meningioma) went into total remission after [drinking](#) 8 oz of whole-leaf Aloe vera concentrate a day for 3 months. Because surgeons were unable to remove the entire tumor, its continued growth rendered an uncertain prognosis. At the time of the Whitaker report, the child was living a normal [life](#) and participating in sports but drinking Aloe vera juice every day (Whitaker 1995a).

Taken internally, 98 or 99 percent pure aloe vera juice is known to aid in the healing of stomach [disorders](#), ulcers, constipation, hemorrhoids, rectal itching, colitis, and all [colon](#) problems. Aloe vera can also be helpful against infections, varicose veins, skin cancer, and arthritis, and is used in the treatment of [AIDS](#). We have had excellent results using colon cleansers containing psyllium husks in combination with aloe vera juice. We have found this combination to be good for [food](#) allergy and colon disorder sufferers.

One tablespoon of aloe vera juice, diluted with a little water, before meals or at least once in the morning before breakfast, helps to break down old deposits of waste and bring basic nutrients to cells and tissues. Those who feel their [liver](#) is still releasing many toxins several days after a liver flush may greatly benefit from drinking aloe vera juice. Aloe vera has been found to be effective in almost every illness, including cancer, heart disease, and AIDS.
