- Immunotec Mejorando Salud y Vida - Improving Health and Life** 8 months ago  
+LUPITA GOMEZ YES it does! This product does not cure, but it enhances vital functions, and gives the patient quality of life in that stages of disease. I really recommend it...I am a nurse and my husband is an Intensive Care specialist (Critical Care medicine) and before we used it we investigate it for months and

+immunotec Mejorando Salud y Vida - Improving Health and Life ok thank you for the information. I have several health conditions and getting into the cell wall is where many serious diseases happen, bacteria is one and it is happening to many people, parasites move into the body and move into the cell wall where the
