Thank you for your email, Alex and Laura.

We corresponded last year, at about the same time. And as we did then, we appreciate your scrupulous monitoring of the industry practices. I will review your letter and sampling of instances, which you deem to amount to inappropriate marketing practices, with our client and we will reply in short order.

Incidentally, Ms. Conkey is no longer with the Company. You may address your correspondence to me.

Best regards,

gj
