SUMMARY

Add authentic outdoor sizzle to oven-broiled foods with this efficient Nordic Ware pan. The secret to its impressive performance is a cast-aluminum grate that quickly achieves the high temperatures needed for a perfect sear. Great for everything from steaks, chops and chicken to seafood and fresh veggies, it sears foods beautifully, complete with attractive grill marks.

- Efficient pan is perfect for grilling foods in the oven—just preheat for three minutes under the broiler.
- The cast-aluminum grate heats quickly and evenly to ensure uniform cooking, searing foods with authentic grill marks.
- Slatted design allows excess fats to drain into the stainless-steel drip pan.
- Made in USA with imported components.
