things are a bit different, people thought I was crazy and laughed at my goals and plans..... Crazy what can fckin happen with the power of positive belief and surrounding yourself with the right kind of people..... 34 countries hit the past 12 months, catching flights with my son around the world, 8 figure revenues..... Mamma would've loved this view, we talked about seeing Machu Pichu and touring South America..... People still think we are crazy to this but crazy is good
