This is a GREAT product!!! I did the 'sample' pack for the 7 days. Right away, I noticed a difference. My memory, reasoning & concentration were ALL noticeably improved to the point where I wished I had more on hand. I had more clarity trying to look at different sides to a situation. I love this product!

Not convinced after 7 day trial.
May 24, 2019
Not sure if I saw improvement. I experienced headaches but not positive it is from this supplement. May be a coincidence.

Don't try it unless you are real deficient in memory.

Just made no difference to me. Maybe I didn't really need it.
