### Product description

Description:

Taiy Nutrition Extra Strength Brain Supplement Pills, 60 Capsules:

Discover an all-natural solution to improve brain health and reap the rewards of improved focus, clarity, memory, concentration, and energy with Neuro Fit Plus cognitive enhancing pills. This brain enhancement supplement is an all natural proprietary advanced brain formula that combines eight active ingredients with essential B vitamins and folic acid.

With fewer neurotransmitters firing throughout the aging process, the brain loses connections and memories are lost. Neuro Fit Plus memory focus pills work to boost memory focus with dimethylaminoethanol, huperzine A, and phosphatidylserine.

L-glutamic acid is specifically blended into the formula to support brain focus and concentration.

Neuro Fit Plus natural focus pills also includes docosahexaenoic acid (DHA), which is an omega 3 fatty acid that is widely recognized as a vital acid for brain health.

The benefits of Neuro Fit Plus cognitive enhancing supplement expand beyond just your mental clarity and brain health. Feel the calming and mood enhancing benefits of bacopa and inositol as you go through your day and step up to any cognitive or physical challenge with more energy thanks to a targeted dose of choline.

Realize your cognitive potential with the Neuro Fit Plus all-natural extra strength brain supplement.

**I like it!**

October 13, 2017

**Verified Purchase**

It's been just about a month since I received the product, I have noticed that I'm more alert than I used to be after I get back from my lunch break (that's when I decided to take it) and need to focus on my work until my day is over. I like it!!

**Totally erased my doubts! Highly recommended!**

September 24, 2017

**Verified Purchase**

The Neuro Fit Plus totally erased my doubts in taking supplements for the brain. After taking this for a few weeks, I've identified key improvements in my Focus, organization and stress-management. I can clearly see the things that are Must-Done's and the things that can wait versus before I try to do everything, juggling 'em all in my hands. Also as a result of taking this supplement, I became more alert and reduced my coffee in-take per day. Highly recommended!

My mom has complained a little bit about her memory problem, you know as we get older information tends to go on overload with all that we have learned throughout our lives. I got this for her for a gift and we like all the natural ingredients and we're impressed with the multiple benefits of energy boost and memory support.

I bought this brain booster for my senior in high school. Her schedule is so tense, and there is so much to learn and remember that she was losing it. After taking this supplement, she feels much better. She can actually concentrate and get the work done. Good product.
