Le-Vel Leaders!

This below is EXACTLY WHY Le-Vel is on a mission to help 1 million customers within the next 24 months! Thank you EVERYONE for committing to knowing your WHY and putting it on paper for you to remind yourself of daily!

Dawn Astin, we LOVED your post! Congratulations on winning the "WHY" contest!

We Are SO HAPPY you are living a lifestyle you deserve!

=====

My WHY: I actually a have 3 Why's.

First is the fact that after suffering for 7+ years from arthritis & Doctors basically blowing me off because I was "too young" to suffer from the "old persons disease" (yes that is what Doctors would tell me) I started my THRIVE EXPERIENCE and on my 4th day realized that I was NOT in pain for the first time in YEARS so I want everyone to feel this way!

Second, I have 2 beautiful grandbabies that I see every other weekend due to my busy schedule. that is NOT expectable to me. I want to have more free time to spend with my loves than a rushed 4 days a month.

And my third WHY is that I work full time in a Job that I am miserable in. (DONOT misunderstand, I am very thankful that I have a job, that is not what this is about) I have been with this company almost 10 years, I am done. I work very long / hard hours and give my company my all. IT IS VERY UNDERAPPRECIATED by all meanings of the word. I have looked for ways to be free from this place & NOW I have found my answer.... Thrive!

I am so thrilled to be a part of a company that CARES about helping people. This is my chance to help Provide for my family without the 2 hour daily commute & have time to spend with my family
